AFFICHES

The essential elegance of the great art posters speaks once again in a contemporary language. The AFFICHES collection reinterprets the refined layout of art and museum publishing. So stylish and surprisingly current, the AFFICHES are designed to bring character to the walls of homes, offices and professional spaces.

AFFICHES

L'eleganza essenziale dei grandi poster d'arte torna con un nuovo look contemporaneo: la collezione AFFICHES riprende il layout classico ed elegante della grafica d'arte e delle edizioni museali, raffinato e sorprendentemente attuale, per dare carattere alle pareti di casa, dell'ufficio e degli spazi professionali.

The essential elegance of the great art posters speaks once again in a contemporary language. The AFFICHES collection reinterprets the refined layout of art and museum publishing. So stylish and surprisingly current, the AFFICHES are designed to bring character to the walls of homes, offices and professional spaces.
